**THIRD INTERIM FEE APPLICATION OF CENTERVIEW PARTNERS, LLC,  
INVESTMENT BANKER FOR THE OFFICIAL COMMITTEE OF UNSECURED  
CREDITORS, FOR ALLOWANCE OF AN ADMINISTRATIVE EXPENSE CLAIM FOR  
COMPENSATION AND REIMBURSEMENT OF EXPENSES FOR THE PERIOD  
FROM OCTOBER 1, 2019 THROUGH AND INCLUDING JANUARY 31, 2020**

Centerview Partners, LLC (“Centerview”), investment banker to the above-captioned Official Committee of Unsecured Creditors (collectively, the “Committee”), hereby submits its Third Interim Fee Application (the “Fee Application”) for allowance of compensation for professional services provided to the Committee in the amount of \$1,000,000.00 and reimbursement of actual and necessary expenses in the amount of \$6,997.45 that Centerview incurred for the period from October 1, 2019, through January 31, 2020 (the “Fee Period”) and payment of such amounts not previously paid pursuant to the *Order Pursuant to 11 U.S.C. §§ 331 and 105(a) and Fed. R. Bankr. P. 2016 for Authority to Establish Procedures for Interim Compensation and Reimbursement of Expenses of Professionals* [Docket No. 701] (“Interim Compensation Order”). In support of this Fee Application, Centerview respectfully states as follows.

**Jurisdiction**

1. This Court has jurisdiction over this Fee Application pursuant to 28 U.S.C. §§ 157 and 1334. This matter is a core proceeding within the meaning of 28 U.S.C. § 157(b)(2). Venue of this proceeding and this Fee Application in this District is proper pursuant to 28 U.S.C. §§ 1408 and 1409.

**Background**

2. On January 29, 2019 (the “Petition Date”), PG&E Corporation and Pacific Gas and Electric Company (collectively, the “Debtors”) filed with the United States Bankruptcy Court for

the Northern District of California (this “Court”) their voluntary petitions for relief under chapter 11 of the Bankruptcy Code.

3. The Debtors continue to operate their businesses and manage their assets as debtors in possession pursuant to sections 1107 and 1108 of the Bankruptcy Code. No trustee or examiner has been appointed in the Chapter 11 cases.

4. On February 12, 2019, the Office of the United States Trustee for Region 3 (the “US Trustee”) filed a *Notice of Appointment of the Official Committee of Unsecured Creditors* [Docket No. 409] pursuant to 11 U.S.C. § 1102(a). At the formation meeting, the Committee selected Milbank LLP (“Milbank” or “Counsel”) as its counsel and FTI Consulting, Inc. (“FTI”) as its financial advisor. On February 15, 2019, the Committee selected Centerview as its investment banker. On March 20, 2019, the US Trustee filed an *Amended Notice of Appointment of the Official Committee of Unsecured Creditors* [Docket No. 962] pursuant to 11 U.S.C. § 1102(a).

5. The following nine members currently comprise the Committee: (a) BOKF, N.A., as indenture trustee under unsecured bond indentures; (b) Deutsche Bank National Trust Company and Deutsche Bank Trust Company Americas; (c) NextEra Energy, Inc.; (d) Roebbelen Contracting, Inc.; (e) The Davey Tree Expert Company, Davey Tree Surgery Company, and DRG, Inc.; (f) G4S Secure Solutions (USA) Inc. and G4S Secure Integration LLC; (g) International Brotherhood of Electrical Workers, Local 1245; (h) Pension Benefit Guaranty Corporation; and (i) Mizuho Bank, Ltd.

6. On April 3, 2019, the Committee filed its *Application for Authority to Retain and Employ Centerview Partners LLC as Investment Banker, Effective as of February 15, 2019* [Docket No. 1213] (the “Retention Application”). On May 17, 2019, the Court entered the *Order*

*Authorizing the Official Committee of Unsecured Creditors to Retain and Employ Centerview Partners LLC as Investment Banker, Effective as of February 15, 2019* [Docket No. 2067] (the “Retention Order”).

7. Pursuant to the Interim Compensation Order, Centerview is entitled to be paid 80% of its fees and 100% of its expenses following expiration of any objection period with respect to its monthly fee statements. Centerview has previously filed four monthly fee statements (collectively, the “Fee Statements”) [Docket Nos. 4835, 5340, 5565 and 6004].<sup>1</sup> To date, Centerview has been paid \$405,892.66 by the Debtors for services rendered and expenses incurred, with \$601,104.79 remaining outstanding. Of this amount, \$200,000.00 will be retained pursuant to the Interim Compensation Order (the “Holdback”). Centerview is filing this Fee Application to, in part, seek payment of the Holdback.

---

<sup>1</sup> The objection deadlines for Centerview’s *Ninth Monthly Fee Statement*, *Tenth Monthly Fee Statement*, and *Eleventh Monthly Fee Statement* expired without objection on December 13, 2019, January 31, 2020, and February 12, 2020, respectively, and a *Certificate of No Objection* has been filed with respect to each [Docket Nos. 5109, 5599, and 5868, respectively]. The objection deadline with respect to Centerview’s *Twelfth Monthly Fee Statement* (March 23 at 4:00 p.m. (PT)) has not yet passed, thus, the amounts requested therein have not yet been allowed. To date, no objections have been filed with respect to this fee statement either.

### **Summary of Services Rendered During the Fee Period**

9. Centerview submits that the investment banking services and advice it rendered to the Committee in connection with the chapter 11 cases during the Fee Period, all at the direction of the Committee or its counsel, were necessary and beneficial to the Committee and the constituency represented by the Committee. These services were complex, performed at a high level and were often subject to extreme time constraints. These services were also necessary to address a multitude of critical issues both unique to these chapter 11 cases and typically faced by unsecured creditor committees in cases of this size and complexity.

10. To provide a meaningful summary of Centerview's services rendered on behalf of the Unsecured Creditors Committee, Centerview has established the following subject matter categories (each, a "Matter Category") in connection with these chapter 11 cases:

<b><u>Matter Category</u></b>	<b><u>Matter Description</u></b>
1	Financial Analysis / Drafting Materials
2	Internal Coordination with Committee and Co-Advisors
3	Coordination with Debtors and their Advisors
4	Coordination with Other Groups
5	Diligence
6	Chapter 11 Court Process
7	Travel

11. Copies of Centerview's contemporaneous time records are attached hereto as **Exhibit A**. The following is a summary, by Matter Category, of the most significant professional services rendered by Centerview during the Fee Period.

(a) **Financial Analysis / Drafting Materials [Matter No. 1]**

Total Hours: 262.75

12. During the Fee Period, Centerview expended significant resources contributing to the preparation of various analyses, presentations and memos for the Committee including but not limited to work product related to i) Plan Term Sheets and Restructuring Support Agreements filed by the Debtors, the Ad Hoc Bondholder Group and Ad Hoc Subrogation Group, ii) the Backstop Commitment Letters and Exit Financing Motions filed by the Debtors, iii) stakeholder mediation and iv) the Debtors' business plan. The materials analyzed the benefits and considerations of the various proposals including the anticipated sources and uses, financing fees, pro forma credit profile of the Debtors and implied valuation among other items. Additionally, Centerview analyzed information related to the Debtors' financial and operating performance in order to inform Centerview's advice to the Committee on a variety of topics.

(b) **Internal Coordination with Committee and Co-Advisors [Matter No. 2]**

Total Hours: 221.50

13. Centerview participated in regular planning and strategy discussions internally and with the Committee's other advisors. These discussions involved email correspondence, telephone calls, and in-person meetings. Topics covered included case-related issues, strategy and the preparation of deliverables for the Committee. This Matter Category also includes calls and in-person meetings with the Committee or individual Committee members. Centerview participated in a weekly conference call with the Committee during which the advisors provided case status updates, discussed recent court filings and presented deliverables to the Committee. Centerview also participated in periodic sub-committee calls, with designated members of the Committee, to review specific case issues in greater detail.

(c) **Coordination with Debtors and their Advisors [Matter No. 3]**

Total Hours: 21.75

14. This Matter Category includes time spent by Centerview discussing case issues and due diligence items with the Debtors, their legal counsel and their other advisors. These discussions included regularly scheduled conference calls with the Debtors' legal counsel and other advisors during which they have provided updates on the Debtors' operations, financial projections, capital structure, upcoming court filings and other important topics. Centerview has also had periodic conversations with the Debtors' advisors to discuss case issues and outstanding diligence requests as needed.

(d) **Coordination with Other Groups [Matter No. 4]**

Total Hours: 48.75

15. This Matter Category relates to calls and meetings to discuss case issues held with case stakeholders other than the Debtors, the Committee, and their professionals. During the Fee Period, Centerview professionals participated in conversations with various parties in interest in these chapter 11 cases, including, but not limited to, representatives of the Ad Hoc Bondholders Group, the California Governor's office and the Official Committee of Tort Claimants (the "TCC").

(e) **Diligence [Matter No. 5]**

Total Hours: 87.75

16. This Matter Category includes time spent by Centerview reviewing contents of the virtual data room ("VDR"), other information provided by the Debtors and publicly available information related to the Debtors or the case.

(f) **Chapter 11 Court Process [Matter No. 6]**

Total Hours: 28.00

17. This Matter Category includes time spent by Centerview:

- (a) attending or listening to court hearings;
- (b) attending mediation;
- (c) reviewing transcripts and/or summaries of hearings;
- (d) reviewing motions and/or other court filings; and
- (e) preparing for certain hearings.

(g) **Travel [Matter No. 7]**

Total Hours: 28.00

18. This Matter Category includes time spent traveling to and from this Court or to other destinations on the Committee's behalf.

**Summary of Expenses Incurred During the Fee Period**

19. Consistent with Centerview's policy with respect to its other clients, and in accordance with the Engagement Letter and Retention Order, Centerview is seeking reimbursement for charges and disbursements incurred as out-of-pocket expenses in the rendition of necessary services to the Committee.

20. The expenses for which Centerview requests reimbursement for the Fee Period are actual and necessary direct, non-overhead costs incurred in the course of rendering services to the Committee.

21. The time constraints imposed by the circumstances of these chapter 11 cases required Centerview's professionals to devote substantial time during the evenings and on weekends to perform services on behalf of the Committee. Consistent with Centerview's policy, Centerview professionals who worked late in the evenings or on weekends were reimbursed for their reasonable meal and transportation costs.

22. These chapter 11 cases also required Centerview's professionals to travel frequently to and from this Court or to other destinations on the Committee's behalf. Consistent with Centerview's policy, Centerview professionals who incurred travel-related costs, including, but not limited to, airfare charges, ground transportation charges, hotel charges, and meals, were reimbursed for their reasonable meal and travel-related costs.

23. Centerview's regular practice is not to include components for the actual and necessary expenses incurred in the course of rendering services when establishing fee structures, but rather to charge its clients for these and all other out-of-pocket disbursements incurred during the regular course of the rendition of services.

24. Centerview has made every appropriate effort to minimize its expenses in these chapter 11 cases. All of the fees and expenses for which allowance and payment are requested by Centerview in this Fee Application are reasonable and necessary and were incurred in connection with services rendered during the Fee Period. In seeking reimbursement of an expenditure, Centerview is requesting reimbursement "at cost" and does not make a profit on such expenditure.

25. A complete description of each expense incurred during these cases is attached hereto as **Exhibit B**. Additionally, a chart summarizing the expenses for the Fee Period is included at the front of this Application.

26. Centerview has made voluntary reductions to certain of the expenses for which allowance is requested in this application, including but not limited to certain hotel, airfare and meal caps suggested in the draft Fee Examiner protocol.

27. The date of charge in **Exhibit B** corresponds to the date the charge was processed and may not align with the date the charge was incurred.

**Centerview's Requested Compensation and Reimbursement Should Be Allowed**

28. Section 330 of the Bankruptcy Code provides that, subject to section 328 of the Bankruptcy Code, a court may award a professional employed under section 1103 of the Bankruptcy Code “reasonable compensation for actual, necessary services rendered . . . and reimbursement for actual, necessary expenses.”

29. The Retention Order approved Centerview's Fee Structure (as defined in the Retention Application)<sup>2</sup> pursuant to section 328 of the Bankruptcy Code, subject to the terms of the Retention Order. Accordingly, compensation is sought subject to the standard of review set forth in section 328 of the Bankruptcy Code, and not the standard of review set forth in section 330 of the Bankruptcy Code, but subject to the terms of the Retention Order.

30. The services summarized by this Fee Application and rendered by Centerview to the Committee were substantial, highly professional and instrumental to the Committee in navigating these chapter 11 cases. Centerview respectfully submits that the compensation and reimbursement requested by this Fee Application is reasonable in light of the nature and value of such services.

**Reservation of Rights and Notice**

31. Although every effort has been made to include all fees and expenses incurred in the Fee Period, some fees and expenses might not be included in this Fee Application due to delays caused by accounting and processing during the Fee Period. Centerview reserves the right to make further application to this Court for allowance of such fees and expenses not included herein.

---

<sup>2</sup> Centerview's Fee Structure, as further detailed in the Retention Application, includes the Monthly Advisory Fee, a Transaction Fee, an Additional Fee as well as reimbursement for reasonable travel and other reasonable out-of-pocket expenses. Capitalized terms used in this footnote but not defined in this Fee Application shall have the meanings ascribed to such terms in the Retention Application.

32. Notice of this Fee Application has been or will shortly be provided to the Notice Parties (as defined in the Interim Compensation Order).

*[Remainder of Page Intentionally Left Blank]*

WHEREFORE, Centerview respectfully requests that the Court enter an order: (a) awarding Centerview interim compensation for professional services provided to the Official Committee of Unsecured Creditors during the Fee Period in the amount of \$1,000,000.00, and reimbursement of actual, reasonable and necessary expenses incurred in the Fee Period in the amount of \$6,997.45; (b) authorizing and directing the Debtors to remit payment to Centerview for such fees and expenses that have not yet been paid pursuant to the Interim Compensation Order, including the Holdback; and (c) granting such other relief as is appropriate under the circumstances.
